

CLASSES

FLEX & MOBILITY

Tuesday 7-8pm; Tuesday 8-9pm; OR Wednesday 7-8pm

Our Flex & Mobility class is designed for to cater to athletes ages 7-18, offering a vibrant and engaging curriculum that lowers their risk of injury, and polishes their heel stretch to perfection!

Our Flex & Mobility class is guided by instructors who prioritize safety, enjoyment, and individual progress, and our curriculum is developed by our very own Coach Leslie. Through a combination of stretching, pilates, and progressive strength and active mobility exercises, athletes will develop greater flexibility while building strength, balance, and coordination.

- **Dynamic Stretching:** Participants will engage in dynamic stretching exercises designed to gently warm up muscles, increase circulation, and improve range of motion.
- **Building the Mind-Body Connection:** Incorporating elements of pilates, the mind-to-muscle connection, and breath awareness, children will learn relaxation techniques, stress reduction, and mental focus, promoting holistic well-being.
- **Progressive Training:** Our class structure allows for progressive skill development, accommodating students of all levels, from beginners to advanced athletes.
- **Fun Challenges:** Exciting challenges and games will keep children motivated and engaged.

Benefits of Flex & Mobility:

- Injury Prevention
- Improved Flexibility and Range of Motion
- Enhanced Core Strength
- Better Posture and Body Awareness
- Better Body Positions with Control
- Stronger Mind-to-Muscle Connection
- Stress Reduction

CLASSES

FLIGHT SCHOOL

Tuesday 7-8pm; Tuesday 8-9pm; OR Wednesday 7-8pm

This class is for beginner through advanced athletes! (Levels 1-6)

Our one-of-a-kind Flight School program offers athletes the exciting opportunity to learn the art of flying in stunts using real stunt group bases, under the guidance of experienced coaches and safety experts.

Our Flight School curriculum blends the thrill of learning new stunts with comprehensive training in safety, technique mastery, and progression creating an exhilarating and rewarding learning experience for aspiring flyers.

- **Progressive Skill Development:** Our curriculum caters to students of all skill levels, from Level 1 to Level 6 flyers. As athletes progress, they will advance to more complex stunts. This can surpass the level of stunts they are currently competing, so long as they've mastered the entire progression list for that level.
- **Individualized Coaching:** Our stunt group of junior coaches offer personalized feedback and instruction, helping each student refine their technique, learn new stunts, get videos for college videos, and reach their full potential!

Benefits of Flex & Mobility:

- Learn to Fly on Teachers
- Individualized Progression
- Enhanced Confidence and Self-Esteem
- Improved Flexibility & Balance

CLASSES

WHITE TUMBLING | AGES 4-7 ***Monday 6:30-7:30pm OR Thursday 6:30-7:30pm***

Pre-Requisites: NONE

Our WHITE Tumbling program is where little ones can flip, roll, and tumble their way to fun and fitness! Our WHITE Tumbling class is specially designed for children ages 4-7, offering a safe and supportive environment for them to explore the exciting world of tumbling.

In our WHITE Tumbling class, children will embark on a playful journey of movement and discovery under the guidance of certified instructors who understand the unique needs and abilities of young tumblers. Through a series of age-appropriate exercises, games, and activities, participants will develop foundational tumbling skills while building confidence, strength, and coordination.

Key Components:

- **Basic Tumbling Skills:** Learn fundamental tumbling skills such as forward rolls, backward rolls, cartwheels, and handstands in a progressive and structured manner.
